

(B) Remarks

The allowance of claims 18, 23 - 29, and 31 is acknowledged. Claims 18 and 26 are amended to correct a grammatical error. The indication that claims 3, 4 and 11 - 15 would be allowable if rewritten to include the limitations of the base claim and any intervening dependent claim is also acknowledged. Accordingly, original claim 3 is presented as amended claim 1 with the amendments to original claim 1 entered in the record and therefore in condition for allowance. Claim 3 is cancelled and claim 1 is amended, all without prejudice. It is noted for the record that original claim 12 is amended to properly depend from claim 10. Dependent claims 2, 5 - 16 and 30, all ultimately dependent on claim 1 as now amended. It is therefore respectfully submitted that claims 2, 5 - 16 and 30 are in condition for allowance. Original claim 4 is amended to present the claim in independent form by incorporating the limitations of parent claim 1 with the amendments to original claim 1 entered in the record. Amended claim 4 is therefore in condition for allowance. Allowable dependent claims 11 - 15 are presented in independent form as new claims 33 - 37 and therefore in condition for allowance. Independent claim 33 includes the limitation of dependent claim 10 and parent claim 1 with the amendments to original claim 1 entered in the record. Independent claims 17, 19 and 21 are each amended to incorporate in the recitations thereof, the combination and relationship of elements recited by allowable claim 3. It is therefore respectfully submitted that claims 17, 19 and 21 and claim 20 dependent on claim 19 are in condition for allowance for the same reasons that claim 3 was found allowable. Each of the claims 1, 17, 19, 21, 23 and 33, now correctly recite that it is the *first triangular façade*, which projects from the opposite lateral sides of the second triangular façade as disclosed in the specification, page 5, lines 12 - 14 and page 6, and lines 1 - 3.

Accordingly, it is believed that this application is in condition for allowance and such action is earnestly solicited. Attached hereto is check no. 13586 in the amount of \$350.00 for payment of two additional independent claims and six additional claims.

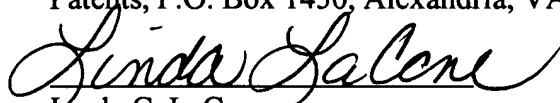

Respectfully submitted,

Clifford A. Poff
